DISCOVERING STADION LETZIGRUND

Stadion Letzigrund is a multifunctional arena without a commercial services area. Depending on the event, it provides spectator room for 25 000 (football), 26 600 (athletics) and up to 50 000 (open-air concerts).

The urban Civil Engineering Office is the owner and developer. The stadium is also operated by the City of Zurich, represented by the Department of Sport and Recreation.

The newly built Stadion Letzigrund has been in operation since August 2007. When there is nothing happening on the football pitch or the athletics field, various corporate and private events are held within our premises. Since the opening of the stadium, we have had the honour of hosting countless events. In addition, our OVAL Restaurant spoils guests daily with haute cuisine and treats them to a splendid view of the arena.

CONTACTS FOR EVENT MANAGEMENT

We would be pleased to inform you personally about the numerous ways you could utilise the stadium and draw up a customised offer for you.

GENERAL TERMS AND CONDITIONS OF BUSINESS

1. BASIS

The quotation (offered price) and any changes made to it with regard to services become binding only once they bear the client's legal signature.

2. NUMBER OF PARTICIPANTS

The ordering party undertakes to announce the number of participants as early as possible. Variances of more than 20 % must be announced in writing at least 8 weeks before the date of the event. Notice must be given of the definitive number of participants at the latest 5 working days before the event. This number of participants serves as the basis for invoicing. The full costs will be charged for guests who fail to attend the event.

3. BOOKING CANCELLATION

3.1 If an event which has been definitively booked (a signed quotation) is cancelled, the following amount of compensation can be claimed:

- 30 to 14 working days before the event, 50 % of the last quoted price will be charged.
- 13 to 7 working days before the event, 75 % of the last quoted price will be charged.
- From and including the 6th working day before the event, 100 % of the last quoted price will be charged.

3.2 If the stadium management has justified grounds for assuming that the event might jeopardise the smooth business operation, safety or reputation of the Stadion Letzigrund, it is authorised to cancel the booking contract at any time without providing any compensation.

3.3 If the event cannot be held because of an act of God, a change in the programme or by order of the authorities, the Stadion Letzigrund shall be entitled to withdraw from the contract without providing any compensation.

4. TERMS OF PAYMENT

Invoice(s) must be settled within 30 days of the invoice date. The number of participants announced 5 working days in advance serves as the basis for invoicing.

5. LIABILITY FOR DAMAGE

The ordering party is liable for any damage to the rented building/item which is caused by its event participants, performers/artistes, technicians, etc.

The Stadion Letzigrund does not accept liability for theft and damage to items of clothing as well as objects brought in to the premises by participants.

6. FURTHER RULES AND REGULATIONS
